SMAULDING TO MEET BUSINESS COLLEGE JACK HERRICK IN SILVER CITY TONIGHT

Albuquerque Middleweight Hopes for Decision in Second Engagement; Fowser and Memsic to Fight Here Feb. Twelfth.

Manager J. E. Goodell, of the Albuquerque Business college, Miss North, chaperon, the girls' and boys' basketball teams of the college and a number of routers left last night for Silver City where tonight the two teams will play return games with the teams of the Silver City Normal school. In the first meeting here the games went one each way, but in this meeting the business college teams hope to take them both.

The teams will stop at Deming tomorrow night for a game with the Deming high school and will return to Albuquerque Monday morning.

The Albuquerque line up for tonight's games is as follows:

Boys—Forwards, C. Neher and R. Lobs; center, W. Hanns; guards, Zearing, Barth and Miller.

Girls—Forwards, Helen Wickham and Anna Myers; jumping center, Margaret Franklin; running center, Edith Clark; guards, Florence Thelin, Gille Franklin and Lucy Blaca.

Harry Frank went with the players as an official. Other members of the party were John O'Loughlin, Paul Hayes, Alonso Sears and Ralph Gibson.

For this international contest the odds will be long on Oxford late in April. Even the best American records for similar racing exceed 17.59. The Boston A. A. team held the A. A. U. record of 17.51 1-5 made at Easton, Pa., on June 15, 1913, while the inter-collegiate record of 17.55 was made by Cornell team of 1911 at the Pennsylvania relays.

The Pennsylvania team won the race last year in 18 minutes and 8.2-5 seconds, defeating Princeton, Ohio State, Pennsylvania State and Northwestern university in the order named. The Red and Blue team consisted of Laugher, McCurdy, Maderia and Guthrie. Of the quartet all are eligible except Guthrie, who was graduated last spring. In order to run the four miles in anything like 17.59 new material will have to be uncovered. Some idea of the nature of this task may be gained from the statement that a team selected from among the winners of the mile runs in all the inter-collegiate meets of 1913, barring Jones and Taher, would fail to show average time equal to that credit to the Oxford four.

OXFORD RUNNERS TO GIVE US RUN FOR OUR MONEY

England's Chances of Defeating Americans in First International Contest Said to Be Unusually Good.

(Associated Press Correspondent)

New York, Jan. 23.—England's chances of defeating America in the first international contest of 1914 will be unusually good when the Oxford university four-mile relay team competes at the University of Pennsylvania meet at Franklin Field, April 23. According to the present plan the Oxford quartet will consist of four runners who, when considered as a team, are not equalled in the collegiate world today. Arnold N. S. Jackson, winner of the 1,500 metre race at the Olympic games of 1912, will captain the team. His first lieutenant will be Norman S. Taher, Rhodes scholar from Brown university, winner of the 1913 A. A. U. mile championship and a number of American inter-collegiate titles. G. M. Sprout, captain of the Oxford cross country team and Rhodes scholar from Australia, will be third man, while Basil Hinde of South Africa, also a holder of a Rhodes scholarship, will complete the team.

It thus happens that by a peculiar coincidence Oxford has a quartet of mile runners drawn from the four corners of the world, every one of which can run the mile in four minutes, twenty seconds or better. All have figured prominently in the fall sports of the English university, and because of their varied experience in national and international competition, will form a most formidable team, both from the point of time and steadiness. Jackson and Taher have repeatedly run the mile between 4:15 and 4:20 and are excellent judges of pace and spirit. Hinde was originally a one-half miler with a record of 1:56, but has shown the speed and endurance necessary for the mile in the longer trials. Sprout is a long distance winner for whom the mile is an easy run and he possesses a burst of speed at the finish that makes him appear like a sprinter in the final one hundred yards. On a fast, dry track this team, according to English experts should run the four miles without heart-breaking effort inside seven minutes thirty seconds. Judging from the past records of the men they should be able to cut fifteen seconds off these figures if pushed hard.

With John Paul Jones graduated and retired from the cinder path it would be hard to select a team of miles from among all the colleges of the United States whose records would warrant their being even favorites against this marvelous quartet now matriculated at Oxford. If any one college or university in the United States has at this time four runners ready to test the Oxford team to the limit the average college trainer is unaware of the existence of the team. Yet these are the conditions which must be compared with the University of Pennsylvania, Michigan, or Michigan, the home of long distance college runners, can develop a sensational four

team.

REINKEN WILL MOVE TO PLAINVIEW, TEXAS

Charles Reinken, for the past 18 years in business in Belen and for several years past manager of the John Becker company's large business there, is in the city today on business matters. Mr. Reinken has announced that he will never his connection with the John Becker company on February first, and will leave early in the month for Plainview, Texas, where he has made new business connections. Mr. Reinken has many friends in Albuquerque who will regret that he is leaving this section where his business success has been conspicuous.

1914 HOLDS OUT GLOOMY PROSPECT TO JOHN BULL

Pressure of Demand for Suffrage to Be Kept Up With Unrelenting Vigor by British Suffragettes.

WOMEN ENCOURAGED BY PROGRESS MADE

(By Associated Press)

London, Jan. 23.—Pressure of the demand for suffrage will be kept up by women of England with unrelenting vigor during the year 1914 according to announcement from the National Union of Woman's Suffrage Societies. This organization which is working only along constitutional lines will hold its annual council in February to map out its political campaign which, it has already been decided, will be begun with a great mass meeting in Albert Hall on February 14th "to voice the united and constitutional demand from all classes throughout the country for a government measure of women's suffrage."

In review of the work of the past year it is pointed out that the increased pressure has been directed upon the government in constituencies represented by anti-suffragist ministers, and upon strengthening the position of the Labor party, the only party in the house of commons which has made the women's cause an integral part of its policy. The whole work has been concentrated on the demand for a government measure, attempts during the year previous for a bill introduced by private members or an amendment to the government's franchise bill having both failed.

A recent bye-election of South Lanark is cited as showing the activity of the women, in helping to sweep away a Liberal majority, and reduction of the Liberal strength is also reported in many important constituencies.

The review continues:

"Not long ago sir Edward Grey admitted that the record of the house of commons on the Women's Suffrage question had not been good, and if to suffragists it has been profoundly unsatisfactory, the success of the advance in the country is only the more significant. The pilgrimage in July from Edinburgh to London was the greatest demonstration which the National Union, or indeed any suffrage society ever produced.

"At a time when resentment against

militant methods was at its height, the country villages and the great towns showed their appreciation of law-abiding proselyts, by hundreds of crowded meetings. Tainted acts of hooliganism there were but they

RATON EDITOR IS HELD TO GRAND JURY FOR ALLEGED LIBEL

Las Vegas, Jan. 23.—P. H. Smith, editor of the Colfax Democrat, a Ratón publication, yesterday was bound over to the grand jury by Justice D. R. Murray. Smith is charged with the authorship and publication of an article libelling Jan van Houten, the wealthy Ratón capitalist. His bond was fixed at \$1,000, which he gave last night and was released. In the article alleged to libel van Houten the latter's name was not mentioned other than as "King Jan" but the prosecution contends the article so plainly referred to van Houten that there will be little difficulty in proving such to be the case. Judge E. V. Long is representing Smith.

Chronic Indigestion Permanently Cured.

"Six years ago," writes S. E. Carpenter, East Aurora, N. Y., "I was in very bad shape suffering from indigestion, could not eat solid food, when a friend advised me to try Chamberlain's Tablets. I found such relief from one box that I continued using them until cured, and though six years have elapsed I have not felt the slightest return of my former trouble." For sale by all druggists.
